Dear Enthusiast,

The Foyer Rural d'Allouville-Bellefosse will hold its 30th event called "Caux Retro" - "Driven by all of us" on 4th and 5th July 2026. Please keep an eye on our website www.cauxretro.com for updated information.

In 2026 we again plan to make this event a moment of conviviality. This is why we would be delighted to welcome you on 4th and 5th July with your veteran, vintage or classic vehicle on the Saturday for a run in the country (see conditions noted on the entry form) and on the Sunday for a static display.

Again, because not all of our sponsors have renewed their offers, we are asking for an entry fee of €5 per vehicle for the event; we hope that you will understand. The payment should be made with the entry form but can be made in cash on arrival; the payment covers the welcome drink at the end of the run, the rally plate and the lunch on the Sunday. Remember that if you participate in the Saturday run, you must also participate in the Sunday static display.

For the Sunday static display, for which you must arrive before 10.00, we will provide entry and lunch for two people per vehicle. On the Sunday this year there will be some themed displays.

For this year's event we again plan to encourage the diversity of vehicles. We know that the economic situation does not help; hence we appreciate all the more your participation. Please do not hesitate to ask your friends to participate as well. After receipt of your entry form (the electronic form is preferred) by ourselves, if you do not hear from us, in order to reduce the level of administration, you can assume that your entry has been accepted. Note that your entry form should be received before 01 June 2026 (in exceptional circumstances later entries can be accepted).

I am looking forward to your participation

With best wishes

Jean Paul Levieux
